- 4) Sri. Sathish, Chief Engineer(Lakes), BBMP, Bangalore.

**KARNATAKA LOKAYUKTA, BENGALURU**

No:Compt/LOK/BCD-2512/2018 Date : 11-09-2018

**ORDER**

The complaint filed by Sri.H.S.Doreswamy for rejuvenation of lakes was originally registered in No.Compt/LOK/BCD-2253/2017. Subsequently, I passed an order for splitting of that complaint into several complaints confining to each one of the lakes in respect of which grievance has been made by Sri.H.S.Doreswamy. Accordingly, the grievance in respect of **Thalaghattapura Lake** has been registered in this complaint.

2. Sri Jagannath is present on behalf of the 1<sup>st</sup> respondent. Though, on the last date of hearing a submission was made on behalf of the BBMP that they are not in a position to take up the work relating to **Talaghattapura Lake** on account of financial constraint, today Sri Jagannath submitted that the government is likely to release the funds for the development of Talaghattapura Lake. In that event the BBMP will take up the sewage diversion

work and cleaning of the lake immediately after calling for tenders as prescribed. He submits that the BBMP will be able to execute necessary works within about six months' time from the date of the order made regarding release of funds. The works herein below are required to be carried out by the BBMP:

- a) Diversion of sewage and cleaning of lake.
- b) Formation of walk path.
- c) Construction of police and security rooms.
- d) Lighting wherever is required.

3. Sri Rajashekar on behalf of BWSSB submitted that JICA fund is released for installation of pipelines running through 110 villages which has become part of the present BBMP. He submitted that the work has already been entrusted to the contractors and the work is required to completed within the period of three years as per the terms of the contract.

4. At this stage Sri Pabbi Shetty submitted that it is desirable for the BBMP to take a decision to execute necessary work after consulting the BWSSB and also in consultation with Karnataka State Pollution Control Board.

5. Having regard to the facts and circumstances of the case, in my view, it is desirable to convene a joint meeting with the officers of the BBMP (Lakes), KSPCB and the officers of BWSSB in the chambers of the Chief Engineer of the BBMP and to take a considered joint decision to execute necessary work to rejuvenation and maintenance of lake.

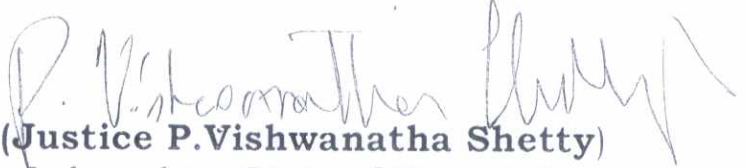

6. It is pointed out that lot of debris are being dumped inside the lake area and the garbages are burnt. Sri Jagannath to take immediate steps to prevent dumping of debris and burning of garbage near the lake area. He assures me that, they will immediately deploy sufficient number of Home Guards.

7. Office to implead the Chairman, BWSSB as respondent in this complaint and issue notice of this complaint to him.

8. Communicate this order to the complainant and to the respondents forthwith both by E-mail as well as by means of postal service.

**List this matter on 13-11-2018 at 3.00 p.m.**

  
(Justice P.Vishwanatha Shetty)
